

# The Creativity Connection

October 2021

**Giving Day Results!**

Thanks to your generosity, Child Creativity Lab is able to fund a year's worth of weekly STEAM + Creativity classes at KidWorks' three Santa Ana locations - as well as reinforcing STEM pathways by providing training and curriculum to KidWorks staff and holding a series of Family Fun STEAM Nights designed to open up the world of STEM to the entire family. Weekly STEAM Workshops have already started at KidWorks!

---

**Thank you Corporate Volunteers!**

# The Elite OC

**Pulley prep... pulley in motion!**  
The Elite OC volunteers assembled Pulley STEAM Challenge kits that were used at **Hidden Hills Elementary** in Laguna Niguel and at **MacArthur Fundamental Intermediate School** in Santa Ana. Thank you to The Elite OC for making a difference!

## Cushman & Wakefield

A giant **THANK YOU** to **Cushman & Wakefield's** ASPIRE Employee Resource Group! They assembled over 240 Zipline and Monster Mate Challenge kits that will be donated to local schools. The volunteers had a great time and were happy to be able to give back to the community as part of C&W's generous Volunteer Time Off program.

**Learn more about how your team can make a difference in the community!**

**Thank you for supporting our mission**

**to bring STEAM + creativity to as many children as possible.**

Did you know that Child Creativity Lab is a non-profit organization and we bring our programs free of charge to children in low-income communities? The pandemic and distance learning had a devastating effect on these children and we are working hard to reduce the effects of learning loss. Please help us.
