

CELEBRATING 10 YEARS
OF CREATIVITY

Thank you for celebrating with us!

Thank you to everyone who joined us on May 20th for our "CCL Turns 10!" Gala. We had an amazing time celebrating with you and honoring our award winners, Peter Chang, Diamond Mattress, and Edwards Lifesciences.

Thank you to our host Edwards Lifesciences.

With your help, we raised over \$65,000!

Thank you for your commitment to the children of Orange County. Every dollar raised will go towards igniting creativity within schools, community centers, public libraries—**everywhere that the next generation of innovators and leaders will be found.**

Unable to join us at our gala? Don't worry! It's not too late!

It's not too late to donate so that we can continue to provide our life-changing programs to students in need.
