

The Creativity Connection

August 2022

We had an amazing summer of programs!

Highlights include: Five weeks of summer camp in collaboration with the Irvine Public Schools Foundation, summer school for 300 at-risk students in Tustin Unified School District, and three weeks of Entrepreneur Camp for low-income students in partnership with Pacific Premier Bank.

Volunteer with Child Creativity Lab!

By partnering with CCL, your business can impact the community *directly* by assisting during a STEAM workshop.

PIMCO

As part of their annual Global Month of Volunteering in July, PIMCO employees joined CCL to build problem-solving robots with the children at ThinkTogether's Shalimar Learning Center in Santa Ana.

Pacific Premier Bank

Not only did Pacific Premier Bank fund three weeks of Entrepreneur Camp for the children at Project Access and the Boys & Girls Club Huntington Valley, but employees joined in the fun on-site as well. Pacific Premier Bank Employees mentored the next generation of innovators and reinforced the concepts of financial literacy, budgeting, and business-ownership.

NONPROFIT PARTNER

We are excited to announce that we have been chosen to participate in a special charitable giving campaign, sponsored and funded by Target.

But we need your help!

Now through September 30th, vote for us through the Target Circle program. [Find out more about Target Circle here.](#) We're asking our supporters to help us make the most of this incredible opportunity. Every vote counts to help us receive a portion of the available Target funds as we continue our mission to foster the next generation of critical thinkers, problem solvers, innovators, and leaders

through hands-on creativity enhancing exploration. **Don't forget, as you earn more votes, you can keep voting multiple times during the campaign!** Thank you for your support, and we encourage you to share your support for us (and your thanks to Target) on social media throughout the duration of the voting!

**Thank you for supporting our mission
to bring STEAM + creativity to as many children as possible.**

Did you know that Child Creativity Lab is a non-profit organization who brings our programs free of charge to children in low-income communities? The pandemic and distance learning had a devastating effect on these children and we are working hard to reduce the effects of learning loss. Please help us.
