

Thank you for celebrating with us!

Thank you to everyone who joined us at our "The Sky's the Limit" Gala. We had an amazing time celebrating with you and honoring our award winners, Carol Stone, Professional Plastics, and Hyundai Capital America.

Thank you to our host, Hyundai Capital America!

With your help, we raised over \$105,000!

Thank you for your commitment to the children of Orange County. Every dollar raised will go towards igniting creativity within schools, community centers, public libraries —everywhere that the next generation of innovators and leaders will be found.

Unable to join us at our gala? Don't worry! It's not too late to change a child's life!

It's not too late to donate so that we can continue to provide our life-changing programs to students in need.
