

## Accepted Donations List

### We Love Donations & Hand-Me-Downs!

We cannot put on the fun STEAM + Creativity programs that we do without donations from wonderful people like you. We accept and will upcycle many items that you're going to throw away or recycle. Does your company get rid of any plastic, cardboard, wood, or small metal items? We accept donations from large corporations, small companies, and individuals. We appreciate any and all donations, we just ask that they be clean.

#### \* Please make sure all items are clean before donating to CCL \*
