## Accepted Donations List

We love and appreciate donations and hand-me-downs. We cannot put on the fun STEAM + Creativity programs that we do without donations from wonderful people like you. We accept and will upcycle many items that you're going to throw away or recycle. Do have or does your company get rid of any plastic, cardboard, wood, or small metal items? We accept donations from large corporations, small businesses, and individuals.

**\* Please make sure all items are clean before donating to CCL \***
